**Notes to assist you**

1. Do not leave any spaces between letters - a prefix must consist of one word only, of **12 letters or less**. You can only **use 24 characters** including your prefix and spaces in a kittens name. So keep it short.
2. Do not use Christian names or numbers.
3. Capital Cats Inc will not accept a Prefix for registration that is the same as or similar to an already existing prefix.
4. Select all names carefully as a change of Prefix will be treated as an application for a new prefix.
5. Registration fee also includes automatic membership of ACT Breeders Cat Club
